

Religious Education Experience
How can we make the world a better place?

What do we already know?

- Explain what Genesis 1 tells Christians and Jews about the natural world.
- Understand how people show that they care for others.
- Consider what difference believing God makes to how people treat each other and the natural world.

ACADEMIC EXCELLENCE

- *Make sense of belief:*
 - Identify some beliefs about why the world is not always a good place (e.g. Christian ideas of sin).
 - Make links between religious beliefs and teachings and why people try to live and make the world a better place.
- *Understand the impact:*
 - Make simple links between teachings about how to live and ways in which people try to make the world a better place (e.g. tikkun olam and the charity Tzedek)
 - Identify some differences in how people put their beliefs into action.
- *Make connections:*
 - Raise questions and suggest answers about why the world is not always a good place, and express own ideas about what the best ways of making it better are.
