

Reception Class Learning Experience – Expressive Arts & Design

Monday 25th April – Friday 6th May 2022

What can we learn about the different colours of the rainbow?

Concepts: Pattern & Colour

What do we already know? The children have sorted objects according to their colour and have discussed the differences between colours.

ACADEMIC EXCELLENCE

Knowledge

I am learning to identify the colours of the rainbow in the correct order.
I am learning how to identify lots of different shades of colour and objects associated with them.
I am learning to identify primary colours.
I am learning to mix primary colours to create secondary colours.
I am learning to create light and dark shades of a colour.

Skills

To experiment with colour, design, texture form and function.

CHARACTER EDUCATION

Flourishing

I can take responsibility for my own well-being.

METACOGNITION

Creativity – Pictorial Ideas

Outcome:

To be able to articulate what the primary colours are and how they can be mixed to create secondary colours.
