BEING A THEOLOGIAN

Concepts

Making sense of beliefs

I recognise some Hindu deities and say how they help Hindus describe God.

I can make links between the stories of Ganesh, Diwali and Sretaketu and what Hindus believe about God.

Understanding the impact

I can make simple links between beliefs about God and how Hindus live.

Making connections

I can make links between the Hindu idea of everyone having a 'spark' of God in them and ideas about the value of people in the world today, giving good reasons for their ideas.
