

COVID-19: Operational risk assessment for school reopening – 8th March 2021

Updated – 8th March 2021

Please note: this risk assessment should be undertaken in conjunction with the guidance on school reopening issued by the Department for Education from the 8th March 2021 as follows:

Department for Education guidance:

[Coronavirus: Education and Childcare guidance](#) including:

[Guidance for full opening: schools](#) (8th March 2021)

[Safe working in education, childcare and children’s social care settings, including the use of personal protective equipment](#) (1st March 2021)

[School attendance: guidance for schools](#) (2nd March 2021)

[Protective measures for holiday and after-school clubs, and other out-of-school settings during the coronavirus \(COVID-19\) outbreak](#) (23rd February 2021)

[Face Coverings in Education](#) (8th March 2021)

[Coronavirus \(COVID-19\): home test kits for schools and FE providers](#) (2nd February 2021)

[COVID-19: cleaning in non-healthcare settings outside the home](#) (16th October 2020)

[Providing school meals during the coronavirus \(COVID-19\) outbreak](#) (4th February 2021)

[COVID-19: guidance on supporting children and young people’s mental health and wellbeing](#) (3rd March 2021)

SEND Risk assessment

[Safeguarding and remote education during coronavirus \(COVID-19\)](#) (6th October 2020)

Teaching remotely:

[Teaching during Coronavirus](#) (3rd December 2020)

[Examples of teaching practice during coronavirus \(COVID-19\)](#) (12th June 2020)

[How schools can plan for tier 2 local restrictions](#) (8th March 2021)

Parents and carers:

[Coronavirus \(COVID-19\): support for parents and carers to keep children safe online](#) (22nd February 2021)

[Supporting your children's education during coronavirus](#) (COVID-19) (15th February 2021)

Other resources

[Public Health England Coronavirus resources](#)

[eBug resources](#) (resources to use with children)

OFSTED interim plans [Education plans from September 2020](#) (3rd December 2020)

Public Health England System of controls

This is the set of actions schools must take. They are grouped into 'prevention' and 'response to any infection'

Prevention You must always:

- 1) Minimise contact with individuals who are required to self-isolate by ensuring they do not attend the school.
- 2) Ensure face coverings are used in recommended circumstances.
- 3) Ensure everyone is advised to clean their hands thoroughly and more often than usual.
- 4) Ensure good respiratory hygiene for everyone by promoting the 'catch it, bin it, kill it' approach.
- 5) Maintain enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents.
- 6) Consider how to minimise contact across the site and maintain social distancing wherever possible.
- 7) Keep occupied spaces well ventilated.

In specific circumstances:

- 8) Ensure individuals wear the appropriate personal protective equipment (PPE) where necessary.
- 9) Promote and engage in asymptomatic testing, where available.

Response to any infection

You must always:

- 10) Promote and engage with the NHS Test and Trace process.
- 11) Manage and report confirmed cases of coronavirus (COVID-19) amongst the school community.
- 12) Contain any outbreak by following local health protection team advice.

Assessment conducted by:	Cristy Nelson	Job title:	Headteacher	Covered by this assessment	Pupils, staff, community members and visitors
Date of assessment:	3.3.21	Review interval:	Weekly initially, then monthly	Date of next review:	1.4.21 or before

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

		Maximum Impact					Risk score	Risk level
		1	2	3	4	5		
Likelihood	1	1	2	3	4	5	1 – 4	LOW
	2	2	4	6	8	10	5 – 8	MEDIUM
	3	3	6	9	12	15	9 – 15	HIGH
	4	4	8	12	16	20	16 – 25	EXTREME
	5	5	10	15	20	25		

Interpretation of Scores	
0 to 4	Low - These are currently at an acceptable level of risk, but monitoring should continue to ensure that they do not grow into a more serious threat, line management MUST be aware of these risks and ensure monitoring takes place.
5 to 8	Medium - These risks are moderate, and countermeasures should be implemented within a reasonable period, service area managers MUST be made aware of the risk and will be responsible for monitoring the action plan.
9 to 14	High - Countermeasures to control or eliminate these risks should be implemented as soon as reasonably practicable, service area and Assistant Director level senior managers MUST be made aware of the risk and will be responsible for monitoring the action plan.
15 to 25	Extreme - these risks require immediate control measures to be implemented or the cause of the risk should be ceased immediately, Service Directors and the SLT MUST be made aware of this risk and shall monitor progress and/or take over responsibility for actions.

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

Likelihood	
1	Rare - probability of occurrence is <5%
2	Unlikely - probability is >5% to <15%
3	Possible - probability >15% to <50%
4	Likely - probability >50% to <90%
5	Almost certain - probability >90%
Severity	
1	Insignificant - A minor problem can be managed by adherence to normal business processes, no external scrutiny from a health and safety regulator. Safety - a hazard and/or near miss is identified with little potential to cause an incident. Health - no impact on any employee or other persons health.
2	Minor - An incident such as an accident, near miss or hazard report, a verbal concern by an enforcing officer concerning a risk e.g. failing to control a specific low impact hazard. Safety - a non-lost time accident and/or near miss or a hazard with the potential to cause a minor accident. Health - minor acute impact on a single employee with no possibility of any long-term effect.
3	Moderate - An accident involving up to 3 employees or member of the public requiring medical attention, letter from a regulatory authority requiring actions and identifying the possibility of sanctions. Safety - Lost time accident to up to 3 employees or a member of public requiring medical attention and possibly reportable under RIDDOR, a non-lost time accident and/or near miss or a hazard with the potential to cause a serious accident or a dangerous occurrence requiring notification under RIDDOR. Health - absenteeism due to a health issue and an increased possibility of a claim for damages with the possibility of a long term effect, e.g. DSE associated musculoskeletal issue.
4	Major - A notifiable major injury involving one or more employees or serious injury to member of the public. Issue of an Improvement and/or Prohibition notice from an Enforcing Authority. Safety - Lost time major notifiable accident involving one or more employees or a serious injury to one or more members of the public reportable under RIDDOR, a non-lost time accident and/or near miss or a hazard that causes extensive damage with the potential to have caused major injuries. Health - long term absenteeism due to a health issues and claims from one or more employees for damages due to long term impacts of condition.
5	Extreme - An accident/incident resulting in the fatality of one or more employees or a member of the public. Safety - Fatality of one or more employee and/or member of the public with associated investigation by HSE and criminal action and/or near miss or a hazard that causes extensive damage resulting in a complete loss of essential services to a geographical area or an essential service provision or the potential to have caused multiple fatalities again resulting in a regulatory body undertaking an investigation. Health - significant long term absenteeism due to reportable diseases being identified and numerous civil claims from employees for damages due to long term impacts of condition.

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

Areas for concern	Risk rating prior to action	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating
1. Establishing a systematic process of full reopening, including social distancing					
1.1 Organisation of teaching spaces					
Classroom and corridor layout not prepared and therefore provides opportunities for increased transmission.	15 Extreme Impact 5, likelihood 3	<ul style="list-style-type: none"> Classrooms re-modelled, with chairs and desks in place facing front, to minimise transmission of virus. Enough space for the adults to remain 2m away from children, where possible, to allow for social distancing. Clear signage displayed in classrooms promoting social distancing. Classes stay together with their teacher/adult and do not mix with other pupils. Lessons and other activities to take place outdoors where possible. Updated Guidance for EYFS (2 July 2020) to be followed. https://www.gov.uk/government/publications/coronavirus-covid-19-early-years-and-childcare-closures/coronavirus-covid-19-early-years-and-childcare-closures removes keeping children in small consistent groups within settings, but still minimising mixing where possible taking into consideration increased risk factor to staff. Review whole school risk assessment to ensure control measures remain suitable and in place. Update risk assessments to include any changes that have been necessary (e.g. handwashing, one-way systems, allocation of specific classrooms) and this must include curriculum risk assessments where necessary. Consider how the layout will enable access to outdoor space and the equipment necessary for teaching the year groups. Consider how changes will impact on arrangements such as safe fire evacuation routes (see below). 	Yes	<ul style="list-style-type: none"> Classroom sizes allow for all pupils to be facing the front in Key Stage 2. EYFS/Yr1 to have clear floor spaces where they face the front. One ways systems are set around the school All classrooms exit onto the playground meaning that no corridors have more than one class accessing them 	5 medium Impact 5, likelihood 1
1.2 Availability of staff					
Members of staff are not available as they are unwell or self-isolating following	9 high Impact 3, likelihood 3	<ul style="list-style-type: none"> If there are any shortages of teachers to teach the number of classes, appropriately trained teaching assistants can be allocated to lead a group, working under the direction of a teacher. Careful planning of the year groups/classes should be undertaken based on staff availability. 	Yes	<ul style="list-style-type: none"> HLTAs and cover supervisors are prepared to cover classes inside and outside of their bubbles, and are aware of distancing to avoid contaminating a different bubble. Masks required when crossing bubbles. 	6 medium Impact 3, likelihood 2

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

Areas for concern	Risk rating prior to action	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating
instructions from 'test and trace'.		<ul style="list-style-type: none"> Supply teachers and other peripatetic staff can be engaged where necessary. See 'school Workforce' section of the DfE guidance: https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools#section-1-public-health-advice-to-minimise-coronavirus-covid-19-risks Full use is made of test and trace to inform staff deployment. If no available members of staff, including support staff and supply staff, the class will be asked to learn from home Members of staff who are self-isolating, can contribute to planning for online learning. 		<ul style="list-style-type: none"> Full plan in place in the case of home learning required. Headteacher to cover, when required. 	
Members of staff are not available as they are following quarantine advice, or face travel disruption following a holiday abroad	9 high Impact 3, likelihood 3	<ul style="list-style-type: none"> Staff should be advised that they need to be available for work from the beginning of term. A letter has been sent from the CEO. Where it is not possible to avoid a member of staff quarantining, there is an expectation that the staff member should work from home. 	Yes	<ul style="list-style-type: none"> Maternity cover positions have been covered Staff to communicate with school promptly in the case of symptoms or a positive test Staff given appropriate work if not in a position of being able to carry out their normal duties 	3 low Impact 3, likelihood 1
1.3 Attendance of children and staff					
Children do not return to school due to parental concern.	12 high Impact 3, likelihood 4	<ul style="list-style-type: none"> Parents are encouraged to send their children in, through use of the following strategies: <ul style="list-style-type: none"> Making it clear to parents that it is compulsory to return children to school (unless statutory reason applies) Sharing the risk assessment Video showing how the school is applying the protective measures Writing letters Discussions with individual parents Engaging with partner agencies around families If these strategies fail to encourage children to return, the usual attendance strategies will be used, including penalties for non-attendance. 	Yes	<ul style="list-style-type: none"> Risk assessment available for parent on the school website Phone calls of reassurance are made to families not attending school. Regular contact in place Transition days have been offered for pupils before full reopening. 	3 low Impact 3, likelihood 2
Anxiety levels of staff and community causing breakdown in staffing ratios, compromising group sizes.	8 medium Impact 4, likelihood 2	<ul style="list-style-type: none"> Talk to staff about (and/or put in writing) the plans (for example, safety measures, timetable changes and staggered arrival and departure times), including a discussion on whether training would be helpful. If appropriate, seek GP or occupational health advice. 	Yes	<ul style="list-style-type: none"> All communication with parents shared with staff. All staff given the option for 1:1 discussion if any concerns / worries Regular meetings held (weekly) with opportunities for any further discussions 	3 low Impact 4, likelihood 1

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

Areas for concern	Risk rating prior to action	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating																								
		<ul style="list-style-type: none"> Where the member of staff has anxieties about returning, this conversation can be held and recorded using the 'Risk assessment for all staff including vulnerable groups' 																											
1.4 The school day																													
The start and end of the school day create risks of breaching social distancing guidelines	25 Extreme Impact 5, likelihood 5	<ul style="list-style-type: none"> Start and departure times are staggered for each year group. Use alternative drop off locations where possible. At the start of the school day, children should remove any face coverings and dispose of these safely. Adaptations to start times and end times should not reduce the overall teaching time e.g. by shortening breaks/ lunchtimes The number of entrances and exits to be used is maximised. Different entrances/exits are used for different classes. Staff and pupils are briefed and signage provided to identify which entrances, exits and circulation routes to use. A plan is in place for managing the movement of people on arrival to avoid groups of people congregating. Floor markings are visible where it is necessary to manage any queuing. Attendance patterns have been optimised to ensure maximum safety. All children should wash their hands thoroughly on arrival at school. 	Yes	Staggered times will be as follows: <table border="1" style="margin: 10px 0;"> <thead> <tr> <th>Drop off Group</th> <th>Drop off time</th> <th>Collection time</th> </tr> </thead> <tbody> <tr> <td>Breakfast Club</td> <td>8am - 9:00 am (cost £3)</td> <td>N/A</td> </tr> <tr> <td>Surname A - D</td> <td>8:40 - 8:45</td> <td>3:10- 3:15</td> </tr> <tr> <td>Surname E - K</td> <td>8:45 - 8:50</td> <td>3:15 - 3:20</td> </tr> <tr> <td>Surname L - R</td> <td>8:50 - 8:55</td> <td>3:20- 3:25</td> </tr> <tr> <td>Surname S - Z</td> <td>8:55 - 9:00</td> <td>3:25 - 3:30</td> </tr> <tr> <td>Pre-School</td> <td>8:50 - 9:00</td> <td>3:00 - 3:10</td> </tr> <tr> <td>After School Club</td> <td>N/A</td> <td>3:10- 4:30 (cost £3)</td> </tr> </tbody> </table> This allows siblings to be dropped at the same time and reduces the adults that are on school site. Break time and lunch time rotas are in place to allow for classes to have enough room, reducing the risk of mixing. They also allow staff to have a break	Drop off Group	Drop off time	Collection time	Breakfast Club	8am - 9:00 am (cost £3)	N/A	Surname A - D	8:40 - 8:45	3:10- 3:15	Surname E - K	8:45 - 8:50	3:15 - 3:20	Surname L - R	8:50 - 8:55	3:20- 3:25	Surname S - Z	8:55 - 9:00	3:25 - 3:30	Pre-School	8:50 - 9:00	3:00 - 3:10	After School Club	N/A	3:10- 4:30 (cost £3)	10 high Impact 5 Likelihood 2
Drop off Group	Drop off time	Collection time																											
Breakfast Club	8am - 9:00 am (cost £3)	N/A																											
Surname A - D	8:40 - 8:45	3:10- 3:15																											
Surname E - K	8:45 - 8:50	3:15 - 3:20

Pre-School	8:50 - 9:00	3:00 - 3:10																											
After School Club	N/A	3:10- 4:30 (cost £3)																											
1.5 Planning movement around the school																													
Movement around the school risks breaching social distancing guidelines	25 Extreme Impact 5, likelihood 5	<ul style="list-style-type: none"> Always keep 'class bubbles' together where possible. Each cohort should retain the same teacher / TA where possible. No mixing of groups e.g. for sports or where there is part-time provision. Consider lining children up in order to filter in and out of the classroom at breaktimes. Circulation plans have been reviewed and revised. One-way systems are in place where possible. Corridors are divided where feasible. Appropriate signage is in place to clarify circulation routes. Pinch points and bottle necks are identified and managed accordingly. Movement of pupils around school is minimised as much as possible. Pupils are regularly briefed regarding observing social distancing guidance. Appropriate duty rota and levels of supervision are in place. 	Yes	<ul style="list-style-type: none"> One way systems are in place around school All classrooms exit onto the playground Staggered times of the day means that bubbles do not clash No 2 bubbles should access a space at the same time Staff are all aware of procedures and timetables 	8 medium Impact 5 Likelihood 2																								

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

Areas for concern	Risk rating prior to action	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating
1.6 Curriculum organisation					
Pupils will have fallen behind in their learning during school closures and achievement gaps will have widened	15 High Impact 3, likelihood 5	<ul style="list-style-type: none"> At the beginning of term, gaps in learning are assessed Curriculum planning is adapted to address gaps – aspects of subjects are prioritised following assessment. In EYFS the prime areas of learning are prioritised In KS1 and KS2, gaps are prioritised along with essentials such as phonics, reading, vocabulary, writing and maths The curriculum will remain broad and ambitious for all children, with the full range of subjects being taught. Remote learning is available for children who are self-isolating, and is calibrated to complement in-school learning and address gaps identified. Teaching of music and singing require additional protective measures such as additional distancing and use of outdoors. In Physical Education, outdoor activity should be prioritised, maximising distance, and following scrupulous cleaning Plans for intervention are in place for those pupils who have fallen behind in their learning. Use of catch up support for targeted individuals, and for equipping all adults to effectively meet the needs of all children through the curriculum https://educationendowmentfoundation.org.uk/covid-19-resources/covid-19-support-guide-for-schools/ https://educationendowmentfoundation.org.uk/covid-19-resources/national-tutoring-programme/ 	Yes	<ul style="list-style-type: none"> Assessments to be completed with first 2 weeks of school and reported via teams to highlight gaps in reading, writing, maths and phonics See curriculum overview for the breadth of coverage. Parents evenings moved to 29.3.21 and 1.4.21 to inform parents of gaps and support that will be in place ISPs reviewed in light of gaps SEN children's targets reviewed Pastoral needs also reviewed Quality first teaching and standards addressed throughout staff insets 	6 Medium Impact 3, Likelihood 2
Planned return to normal curriculum in all subjects by Summer Term 2021	15 High Impact 3, likelihood 5	<ul style="list-style-type: none"> Substantial modification to the curriculum may be needed at the start of the year, so teaching time should be prioritised to address significant gaps in pupils' knowledge with the aim of returning to the school's normal curriculum content by no later than summer term 2021. 	Yes	<ul style="list-style-type: none"> Interventions planned to support children in moving forwards and gap filling If delivered effectively, our curriculum will ensure exceptional progress. 	6 Medium Impact 3, Likelihood 2
Suspension of some subjects for some pupils	15 High Impact 3, likelihood 5	<ul style="list-style-type: none"> Schools should be able to show that this is in the best interests of these pupils and this should be subject to discussion with parents during the autumn term. They should also have a coherent plan for returning to their normal curriculum for all pupils by the summer term 2021. 	Yes	<ul style="list-style-type: none"> Brixham C of E will continue with a broad curriculum even more so, as part of the plan to support catch up. 	6 Medium

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

Areas for concern	Risk rating prior to action	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating
in exceptional circumstances.				<ul style="list-style-type: none"> Reading, writing and phonics will remain a priority throughout the learning experiences 	Impact 3, Likelihood 2
Music, dance and drama activities	25 Extreme Impact 5, likelihood 5	<ul style="list-style-type: none"> Schools should note that there may be an additional risk of infection in environments where you or others are singing, chanting, playing wind or brass instruments or shouting and also in drama and dance activities. This applies even if individuals are at a distance. Schools should consider how to reduce the risk, particularly when pupils are playing instruments or singing in small groups such as in music lessons by, for example, physical distancing and playing outside wherever possible, limiting group sizes to no more than 15, positioning pupils back-to-back or side-to-side, avoiding sharing of instruments, and ensuring good ventilation. Singing, wind and brass playing should not take place in larger groups such as school choirs and ensembles, or school assemblies. Schools should also consider Guidance for Music, Dance and Drama as well as Guidance for the Performing Arts 	Yes	<ul style="list-style-type: none"> Whole school acts of worship, including singing, will not take place. Acts of worship will continue through virtual meetings Bubbles coming together will not take place Dance activities continue as part of the PE curriculum within bubbles. 	5 Medium Impact 5, likelihood 1
Physical activity in schools	25 High Impact 5, likelihood 5	<ul style="list-style-type: none"> Pupils should be kept in consistent groups, sports equipment thoroughly cleaned between each use by different individual groups, and contact sports avoided. Outdoor sports should be prioritised where possible, and large indoor spaces used where it is not, maximising distancing between pupils and paying scrupulous attention to cleaning and hygiene. This is particularly important in a sports setting because of the way in which people breathe during exercise. External facilities can also be used in line with government guidance for the use of, and travel to and from, those facilities. Schools should refer to the following advice: <ul style="list-style-type: none"> guidance on the phased return of sport and recreation and guidance from Sport England for grassroots sport advice from organisations such as the Association for Physical Education and the Youth Sport Trust Schools are able to work with external coaches, clubs and organisations for curricular and extra-curricular activities where they are satisfied that this is safe to do so. Schools should consider carefully how such arrangements can operate within their wider protective measures. 	Yes	<ul style="list-style-type: none"> PE timetable makes clear for staff when to be using outdoor areas. PE lessons will continue with outside agencies. Social distancing will remain and lessons will take place outside, Forest school will continue both in school and at our forest school site. 	5 Medium Impact 5, likelihood 1

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

Areas for concern	Risk rating prior to action	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating
		<ul style="list-style-type: none"> Activities such as active miles, making break times and lessons active and encouraging active travel help enable pupils to be physically active while encouraging physical distancing. 			
Practical science, art and D&T lessons	15 High Impact 3, likelihood 5	<ul style="list-style-type: none"> Guidance from CLEAPSS should be followed when planning practical lessons, using resources such as the Guide to doing practical science work during Covid-19, Guide to doing practical work in D&T, food and art, Carrying out practical science work in non-lab environments and for primaries Practical activities in a bubble. Schools must ensure that they stay up to date with the latest guidance in these specialist areas. 	Yes	<ul style="list-style-type: none"> All resources will be cleaned between use or left for 72 hours. 	6 medium Impact 3 Likelihood 2
Educational visits	15 High Impact 3, likelihood 5	<ul style="list-style-type: none"> All educational visits should be planned and risk assessed following the usual school procedures and taking into consideration the Covid-19 DfE travel guidance for educational settings For additional information check with EVOLVE guidance on website. 	Yes	<ul style="list-style-type: none"> School trips will be at the headteacher's discretion, based on the risks from the site and transport. 	6 medium Impact 3 Likelihood 2
Groups of children mixing resulting in risk of more widespread transmission	25 Extreme Impact 5, likelihood 5	<ul style="list-style-type: none"> Children should be grouped into consistent groups that do not mix to enable track and trace and self-isolation where necessary. Maintaining distinct groups or 'bubbles' that do not mix makes it quicker and easier in the event of a positive case to identify those who may need to self-isolate and keep that number as small as possible. Groups should be as small as possible whilst providing the full range of curriculum subjects and for primary this is likely to be up to the size of a year group. When using larger groups the other measures from the system of controls become even more important, to minimise transmission risks and to minimise the numbers of pupils and staff who may need to self-isolate. Whatever the size of the group, they should be kept apart from other groups where possible and older children should be encouraged to keep their distance within groups. Schools with the capability to do it should take steps to limit interaction, sharing of rooms and social spaces between groups as much as possible. It is accepted that the youngest children cannot socially distance from each other or staff. Measures should be combined and implemented as far as is possible at all times (even if not always achieved 100% of the time). Large gatherings such as assemblies and with more than one group should be avoided. 	Yes	<ul style="list-style-type: none"> Brixham C of E is a one form entry school. A bubble will consist of the children within a year group. Bubbles will not mix throughout the school day Where possible, social distancing will be in place within the bubble. Children are separated at tables in classrooms 	10 High Impact 5 Likelihood 2

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

Areas for concern	Risk rating prior to action	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating
1.7 Staff workspaces					
Staff rooms and offices do not allow for observation of social distancing guidelines	25 Extreme Impact 5, likelihood 5	<ul style="list-style-type: none"> Staff rooms and offices have been reviewed and appropriate configurations of furniture and workstations have been put in place to allow for social distancing. Staff should aim to keep 2m apart from one another. Staff have been briefed on the use of these rooms. Numbers of people reduced at any one time on a rota to allow social distancing – chairs removed/placed apart. Avoid unnecessary gatherings. Where possible reduce the use of communal / shared facilities such as tea and coffee facilities and encourage staff to bring their own food and utensils. Enhanced cleaning regimes as per below. Staff and pupil hygiene measures to be operated in line with Government guidelines and will be confirmed daily and enforced by continuing monitoring. Each premise area will have access to cleaning materials and in the case of the staff room, staff will be responsible for ensuring the area is sanitised after use. 	Yes	<ul style="list-style-type: none"> Staff have been advised at keeping the maximum number to 4 at one point and longer than 20 minute gatherings in the staff room. Staff encouraged to eat lunch within the school grounds where possible, e.g. outside areas (outside staff room) Staff not to go into the office areas, but to communicate through screen All equipment used by more than one person will be cleaned in-between use 	5 Medium Impact 5 Likelihood 1
1.8 Managing the school calendar					
Usual school events cannot take place due to protective measures	10 High Impact 2, Likelihood 5	<ul style="list-style-type: none"> School events should be considered for adaptation or postponement/cancellation. Every opportunity should be taken to adapt activities e.g. use of technology, move outside, split people into smaller groups Assemblies/ Collective Worship should take place with only one bubble at a time e.g. class assemblies. Singing should be avoided in collective workshops/ choirs etc. 	Yes	<ul style="list-style-type: none"> Annual events which normally involve pupils and parents will be considered, thinking about how they could be completed virtually. Parents evening via phone calls. 	4 Low Impact 2 Likelihood 2
New children start school without an adequate induction/transition programme	12 High Impact 3 Likelihood 4	<ul style="list-style-type: none"> A plan is in place for children to transition into reception. There is regular and effective liaison with pre-schools to aid transition Regular communications with the parents of incoming pupils are in place, including letters, newsletters and online broadcasts. Virtual tours of the school are available for parents and pupils. 	Yes	<ul style="list-style-type: none"> Zoom meeting held with every family joining our school in reception to prepare for transition Children moving in-year will have phone calls and a tour following an isolation period from their previous school 	6 Medium Impact 3 Likelihood 2

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

Areas for concern	Risk rating prior to action	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating
1.9 Communication strategy					
Key stakeholders are not fully informed about changes to policies and procedures due to COVID-19, resulting in risks to health	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> Communications strategies for the following groups are in place: <ul style="list-style-type: none"> Staff Pupils Parents Governors/Trustees Local authority Regional Schools Commissioner Professional associations Other partners 	Yes	<ul style="list-style-type: none"> All staff and governors to receive regular updates, including the information that is sent to parents. Governors updated throughout meetings Classroom dojo provides a form of communication for key messages with parents. 	5 Medium Impact 5 Likelihood 1
1.10 Staff induction and CPD					
Staff are not trained in new procedures, leading to risks to health	25 Extreme Impact 5 Likelihood 5	<p>A CPD programme is in operation for all staff prior to reopening, and includes:</p> <ul style="list-style-type: none"> Infection control Fire safety and evacuation procedures Constructive behaviour management Safeguarding Risk management Testing arrangements Timetable changes <p>Compliance with Covid 19 enhanced hygiene and social distancing procedures will be monitored to ensure best practice is maintained.</p>	Yes	<ul style="list-style-type: none"> Timetables allow for bubbles not to cross / use the same space at the same time. Information on fire procedures, practiced and shared Staff informed about testing arrangements Staff now completing x2 Lateral Flow tests – how to report results shared. Regular meetings help to ensure all staff fully understand 	5 Medium Impact 5 Likelihood 1
In school and trust CPD cannot take place due to social distancing	9 High Impact 3 Likelihood 3	<ul style="list-style-type: none"> In school CPD continues to take place, either socially distanced, or online. Outside areas can also be utilised while weather and seasons allow. Cross trust meetings can take place online. 	Yes	<ul style="list-style-type: none"> Staff meetings and 1:1 meetings (such as appraisals) take place online. 	3 Low Impact 3 Likelihood 1
New staff are not aware of policies and procedures prior to starting at the school when it reopens	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> An induction programme is in place for all new staff – either online or in-school – prior to them starting. The revised staff handbook is issued to all new staff prior to them starting. 	Yes	<ul style="list-style-type: none"> Normal information and introduction process in place virtually. 	5 Medium Impact 5 Likelihood 1

Areas for concern	Risk rating prior to action	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating
		<ul style="list-style-type: none"> Guidance is in place for pupils and parents on how social distancing can be observed on public and school transport. 			
Travelling on public transport may increase the risk of community transmission.	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> Where using public transport, children and their families should wear face coverings. Use of hand sanitiser where possible. Distancing on public transport where possible. Discussions have been held with the relevant public transport authority and with bus companies on how social distancing measures will be applied. Liaising with the School Transport Team before change are made. Follow government guidance https://www.gov.uk/guidance/working-safely-during-coronavirus-covid-19/vehicles Effective liaison with bus companies is used as a basis for planning staggered start and departure times. 	Yes		5 Medium Impact 5 Likelihood 1
Dedicated school transport (including minibuses), including statutory provision	15 High Impact 3 Likelihood 5	<ul style="list-style-type: none"> transport-to-school-and-other-places-of-education-autumn-term-2020 Although there is no requirement for students to sit with the group of students or “bubble” with which they are educated, students should sit in year groups as far as possible when travelling – this will be in ascending year groups front to back (youngest students at the front of the vehicle). Schools may even wish to draw up seating arrangements on vehicles. Consider how you are going to “police” any seating arrangements as this is not the driver’s responsibility – their role is to focus on driving the vehicle safely. Any arrangements will require clear communication between schools and families/students, and school staff should initially be on hand at the end of each day to assist the students. Where possible, transport operators will aim to keep windows on home to school transport open to increase ventilation; or use air conditioning. Ensure organised queuing/boarding and distancing within vehicles if possible. 	Yes		4 low Impact 5 Likelihood 1
School transport (including minibuses)- Face coverings & PPE	15 High Impact 3 Likelihood 5	<ul style="list-style-type: none"> It is now the law that people age 11 and over must wear a face covering on public transport. This law does not apply to school transport. However, DCC, supported by PHE, recommend that people aged 11 and over wear a face covering when travelling on dedicated school transport from the start of the autumn term. However, there are some exemptions: 	Yes	<ul style="list-style-type: none"> 	4 low Impact 5 Likelihood 1

2. Investing in safety equipment and health and safety arrangements to limit the spread of COVID-19					
2.1 Cleaning					
<p>Cleaning capacity is reduced so that an initial deep-clean and ongoing cleaning of surfaces are not undertaken to the standards required</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> Discuss with cleaning contractors or staff the additional cleaning requirements and agree additional hours to allow for this. Ensure cleaning products being used are suitable and that adequate supplies of cleaning materials are available. Use regular detergents AND bleach/disinfectant for cleaning. Review COSHH assessments and implement additional controls required where there has been any change in products. Cleaners should wear the appropriate PPE (see guidance below) usually gloves and aprons. See Safe working in education and childcare for guidance on PPE and guidance on cleaning non-health care settings. Put in place an enhanced cleaning schedule and establish more frequent cleaning of shared areas or those used by different groups. 	<p>Yes</p>	<ul style="list-style-type: none"> All staff aware of their responsibility within bubbles. Routines established. Cleaning checklist to be completed daily Site manager to check cleaning of any shared areas daily 	<p>10 High Impact 5 Likelihood 2</p>
<p>Contaminated surfaces spread virus.</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> Classroom based resources such as sports, art and science equipment can be used and shared within the bubble. Such resources should be cleaned frequently and meticulously and always between bubbles or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles. In order to facilitate cleaning, remove unnecessary items from learning environments where there is space to store them elsewhere. Public health advice is to remove all soft toys, and any toys that are hard to clean, such as those with intricate parts. Where practicable, remove soft furnishings, for example pillows, bean bags and rugs. In cases where soft furnishings are still in use, they should be laundered by following the guidance in the attached link: https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings Consideration should also be given to soft furnishings within Sensory Rooms and where possible these furnishings should be child specific so as to avoid cross contamination. If this is not possible then they should be laundered as per the guidance contained in the above link. Staff to ensure that surfaces and sanitised frequently throughout the day. Follow government guidance for working in education and childcare if a someone becomes ill with suspected COVID-19 at the setting. Follow guidance on Cleaning and decontamination of non-health care settings. 	<p>Yes</p>	<ul style="list-style-type: none"> All surfaces to be wiped throughout the day Wipes and spray readily available 	<p>10 High Impact 5 Likelihood 2</p>

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

<p>Play equipment is used by multiple groups</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> Outdoor play equipment - Promote good hygiene and social distancing using signage and other methods of comms (community noticeboards, school newsletters) to set out: maximum numbers to enable SD, encouraging parents to clean children's hands before and after play, disposal of all rubbish. Consider limiting numbers (e.g. taking out swings), using time limits, one ways systems around pieces of equipment, cleaning regimes if applicable for high traffic touch points such as slides, monkey bars and climbing frames / walls, playhouses and huts, crawl through tunnels and tube slides, exercise equipment, gates, benches and picnic tables, refuse areas and bins. Encourage effective sanitation by users, parents etc. Consult guidance on Managing Outdoor Playgrounds for equipment also used by the community. When used by the school, it must be appropriately cleaned between groups of children and only used by one group at a time. 	<p>Yes</p>	<ul style="list-style-type: none"> Each bubble has its own play equipment box that is taken out during break times. Equipment sanitised daily 	<p>10 High Impact 5 Likelihood 2</p>
<p>Resources are shared increasing spread of virus</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> Prevent the sharing of stationery and other equipment where possible For individual and very frequently used equipment, such as pencils and pens, it is recommended that staff and pupils have their own items that are not shared. Classroom based resources, such as books and games, can be used and shared within the bubble; these should be cleaned regularly, along with all frequently touched surfaces. Suitable procedures in place for managing access to items of 'heavy use' such a photocopier to reduce social distancing. It is still recommended that pupils limit the amount of equipment they bring into school each day, to essentials such as lunch boxes, hats, coats, books, stationery and mobile phones. Bags are allowed. Pupils and teachers can take books and other shared resources home, although unnecessary sharing should be avoided, especially where this does not contribute to pupil education and development. Similar rules on hand cleaning, cleaning of the resources and rotation should apply to these resources. 	<p>Yes</p>	<ul style="list-style-type: none"> Library rota created for pupils to choose books to take home. Stationery packs created for KS1 and KS2 to have their own pencil case, this is not to be shared. Families encouraged not to bring in any resources from home 	<p>10 High Impact 5 Likelihood 2</p>
<p>2.2 Hygiene and handwashing</p>					
<p>Inadequate supplies of soap and hand sanitiser mean that pupils and staff do not wash their hands with sufficient frequency</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> An audit of handwashing facilities and sanitiser dispensers is undertaken before the school reopens and additional supplies are purchased if necessary. Monitoring arrangements are in place to ensure that supplies of soap, hand towels and sanitiser are maintained throughout the day. Members of staff are identified for this purpose. Where a sink is not nearby, provide supervised access to hand sanitiser in classrooms and other learning environments. Plan in regular access to facilities throughout the day. Provide additional sinks where possible. Ensure 	<p>Yes</p>	<ul style="list-style-type: none"> Hand sanitising stations are available at the back of each classroom before leaving and entering. Sinks are provided at the back of each classroom. Additional hand washing stations outside to be provided. Hand gels available 	<p>5 Medium Impact 5 Likelihood 1</p>

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

		<p>enough handwash and sanitiser stations are available based on what you have learned from usage to date.</p>		<ul style="list-style-type: none"> Additional resources ordered 	
<p>Pupils and staff forget to wash their hands regularly and frequently</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> Frequent hand cleaning as part of normal routine. Stagger regular access to handwashing facilities through the day. Build routines into behaviour expectations and school culture. Staff training includes the need to remind pupils of the need to wash their hands regularly and frequently. Posters reinforce the need to wash hands regularly and frequently. School leaders monitor the extent to which handwashing is taking place on a regular and frequent basis. Where a sink is not nearby, provide supervised access to hand sanitiser in classrooms and other learning environments. Plan in regular access to facilities throughout the day. Children and staff to wash their hands on arrival. Review the guidance on hand cleaning and introduce handwashing songs for younger children. Ensure that help is available for children and young people who have trouble cleaning their hands independently. See guidance and resources available at e Bug. Consider risks around ingestion of sanitiser and where this is a risk substitute for skin friendly sanitiser wipes for young children / those with complex needs. 	<p>Yes</p>	<ul style="list-style-type: none"> Pupils will access to hand hygiene facilities as part of their staggered break time. Pupils are shown how to wash hands effectively. Expected hand washing at the start/end of each break and meal times, plus additional opportunities in between. Posters around school reminding children and staff of the importance of handwashing Hand towels used around school 	<p>10 High Impact 5 Likelihood 2</p>
<p>Respiratory Hygiene</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> Promote 'catch it, bin it, kill it' ensuring that enough tissues and bins are available. Support should be provided for young children and those with complex needs, particularly where children spit / use saliva. In such cases this should be considered within the pupil's individual risk assessment. 	<p>Yes</p>	<ul style="list-style-type: none"> Posters provided around the school. 	<p>10 High Impact 5 Likelihood 2</p>
<p>Waste is left around in an unhygienic manner</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> Ensure bins for tissues are emptied throughout the day. Follow Guidance on disposal of PPE waste (such as used fluid resistant masks) and Government guidance on disposal of waste, including waste such as wipes and cloths generated by additional cleaning and disposable face coverings where for instance they have been worn for the journey to school. You must make sure that these items are disposed of properly rather than going into recycling bins. Cleaning staff will have sufficient training and PPE for the procedure. 	<p>Yes</p>	<ul style="list-style-type: none"> Bins with flip lids in all areas Staff clear on responsibilities for emptying bins 	<p>5 Medium Impact 5 Likelihood 1</p>
<p>2.3 Clothing/fabric</p>					

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

<p>Not wearing clean clothes each day may increase the risk of the virus spreading</p>	<p>15 Extreme Impact 5 Likelihood 3</p>	<ul style="list-style-type: none"> Schools to return to their usual uniform policies in the autumn term as uniform can play a valuable role in contributing to the ethos of a school and setting an appropriate tone. Uniforms do not need to be cleaned any more often than usual, nor do they need to be cleaned using methods which are different from normal. Schools should consider how pupil non-compliance is managed, taking a mindful and considerate approach in relation to parents who may be experiencing financial pressures. Expectations and guidance are communicated to parents. Children come in wearing PE kit on sports days 	<p>Yes</p>	<ul style="list-style-type: none"> Full school inform has returned for March Pupils will come into school wearing the PE kit on days which they do PE Visual and clear instructions provided for parents via letters and reminders Staff to model 	<p>5 medium Impact 5 Likelihood 1</p>
<p>The use of fabric chairs may increase the risk of the virus spreading</p>	<p>15 Extreme Impact 5 Likelihood 3</p>	<ul style="list-style-type: none"> Take fabric chairs out of use where possible. Where that is not possible then ensure chairs are limited to single person use. 	<p>Yes</p>		<p>5 Medium Impact 5 Likelihood 1</p>
<p>2.4 Testing and managing symptoms</p>					
<p>Infection transmission within school due to staff/pupils (or members of their household) displaying symptoms</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> Robust collection and monitoring of absence data, including tracking return to school dates, is in place. Procedures are in place to manage any pupil or member of staff displaying symptoms at school. This includes the use of testing for both staff and pupils and appropriate action, in line with government guidance, should the tests prove positive or negative. If a child, young person or other learner becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home a face mask should be worn by the supervising adult if a distance of 2 meters cannot be maintained. If contact with the child or young person is necessary, then gloves, an apron and a face mask should be worn by the supervising adult. If a risk assessment determines that there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn. Ensuring that fluid resistant face masks are available for all schools and that a supply is maintained. https://www.gov.uk/government/publications/safe-working-in-education-childcare-and-childrens-social-care/safe-working-in-education-childcare-and-childrens-social-care-settings-including-the-use-of-personal-protective-equipment-ppe Pupils, parents and staff are aware of what steps to take if they, or any member of their household, displays symptoms. Parents must inform the school of any test outcome. 	<p>Yes</p>	<ul style="list-style-type: none"> Communication with parents and staff explains the procedure if they develop symptoms. Office staff have clear guidance and wording for parents who ring regarding isolating. Further conversations with parents / families if necessary by SLT Staff to wear masks when greeting parents at the start and end of the day. LA support if necessary 	<p>15 Extreme Impact 5 Likelihood 3</p> <p>It is noted that this remains an Extreme risk area due to the possibility of a systematic transmission which has been considering within the Statutory guidelines.</p>

Schools should up-date the Schools Emergency Plan to incorporate the above links. The following resources should also be referred to in the event of cases at the setting: <ul style="list-style-type: none"> Educational settings Action cards PHE SW HPT: Flowchart for childcare and Educational settings V 4 Follow government guidance on what happens if someone becomes ill and what happens if there is a confirmed case of coronavirus in a setting https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools#section-1-public-health-advice-to-minimise-coronavirus-covid-19-risks Ensure accurate records of staff and pupils are maintained to enable public health contact tracking and test regimes. Staff, pupils and parents have received clear communications informing them of current government guidance on confirmed cases of COVID-19 and how this will be implemented in the school. Should a test come back positive, that class bubble (including the adults) may have self-isolate for 14 days (to be advised by PHE) Further guidance https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/ This guidance has been explained to staff and pupils as part of the induction and training process. Any updates or changes to this guidance are communicated in a timely and effective way to all stakeholders. 			
2.5 Managing an outbreak					
<p>There is a lack of communication between the school and PHE following an outbreak.</p> <p>The school is not prepared to continue the offer of</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools#section-5-contingency-planning-for-outbreaks The Head should liaise closely with the PHE health protection team to manage any outbreak. Schools should also consider their contingency planning for outbreaks, including local outbreaks – using the Actions for Schools Guidance Section 5 	<p>Yes</p>	<ul style="list-style-type: none"> Home learning system is prepared for full use in the need for it. 	<p>5 Medium Impact 5 Likelihood 1</p>

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

remote education for children who are required to self-isolate.		<ul style="list-style-type: none"> A high-quality offer of remote learning in place for children who are self-isolating. Opportunities for both online and offline resources. Where possible, the school will support families without access to technology. This curriculum will mirror learning in school, and will have in built systems of assessment so that work can be adapted to ensure good progress (see list of criteria on link above) 			
2.6 First Aid					
Nominated first aiders move between children and classes and heightens risk of transmission	15 Extreme Impact 5 Likelihood 3	<ul style="list-style-type: none"> First aider to wear single use PPE as they will be working across the class bubbles and will be working at a distance less than 1m, including face to face contact. Rota systems in place to ensure adequate numbers of first aid and PFA trained staff. Communication of first aid arrangements during daily briefings. PPE within first aid supplies 	Yes	<ul style="list-style-type: none"> Rota in place to ensure a first aider is available at playtimes. 	5 Medium Impact 5 Likelihood 1
2.7 Communication with parents					
Parents and carers are not fully informed of the health and safety requirements for the reopening of the school	15 Extreme Impact 5 Likelihood 3	<ul style="list-style-type: none"> As part of the overall communications strategy, parents are kept up to date with information, guidance and the school's expectations on a weekly basis using a range of communication tools. School newsfeed and Class Dojo used to communicate Covid 19 information regularly. Encourage parents to phone school and make telephone appointments if the wish to discuss their child or safety measures (avoid face to face meetings). Plan parents' drop-off and pick-up protocols that minimise adult to adult contact. Make clear to parents that they cannot gather at entrance gates or doors or enter the site (unless they have a pre-arranged appointment, which should be conducted safely). Make it clear that only one parent should accompany children to school 	Yes		5 Medium Impact 5 Likelihood 1
Parents and carers may not fully understand their responsibilities should a child show symptoms of COVID-19	15 Extreme Impact 5 Likelihood 3	<ul style="list-style-type: none"> Parents are regularly reminded of the need to notify school if they or one of their children have the virus. Key messages in line with government guidance are reinforced on a weekly basis via email, text and the school's website. 	Yes		5 Medium Impact 5 Likelihood 1
Parents demonstrate aggression due to anxiety and stress	9 High Impact 3 Likelihood 3	<ul style="list-style-type: none"> Tell parents their allocated drop off and collection times and the process for doing so, including protocols for minimizing adult to adult contact (for example, which entrance to use) to reduce anxiety, keep parents up to date with regular communications. 	Yes	<ul style="list-style-type: none"> Feedback from parents has been positive. Parents informed of actions and expectations 	6 Medium Impact 3 Likelihood 2

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

				<ul style="list-style-type: none"> Parents encouraged to discuss and concerns / worries 	
2.8 Personal Protective Equipment (PPE)					
<p>Provision of PPE for staff where required is not in line with government guidelines</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> Government guidance on wearing PPE is understood, communicated and sufficient PPE has been procured. https://www.gov.uk/government/publications/safe-working-in-education-childcare-and-childrens-social-care/safe-working-in-education-childcare-and-childrens-social-care-settings-including-the-use-of-personal-protective-equipment-ppe Adequate training / briefing on use and safe disposal Follow guidance on putting on and taking off standard PPE https://www.gov.uk/government/publications/covid-19-personal-protective-equipment-use-for-non-aerosol-generating-procedures and above guidance on use in education settings. Those staff required to wear PPE (e.g. SEND intimate care; supervising children with symptoms) have been instructed on how to put on and how to remove PPE carefully to reduce contamination and also how to dispose of them safely. Staff are reminded that wearing of gloves is not a substitute for good handwashing. 	Yes	<ul style="list-style-type: none"> Compulsory for staff to wear masks at the door when pupils arrive and leave. Compulsory to wear a face mask in parts of the building outside of the classroom. Additional PPE provided 	<p>5 Medium Impact 5 Likelihood 1</p>
<p>Use of face coverings- Lack of understanding</p>	<p>15 Medium Impact 5 Likelihood 3</p>	<ul style="list-style-type: none"> Guidance on the use of face coverings for pupils in year 7 and above should be followed with consideration given to communal areas such as corridors where social distancing is hard to maintain. Additional precautionary measures should also be taken where local restrictions apply. Headteachers should use their discretion regarding use of masks and visors in communal areas and corridors. Adequate training / briefing on use and safe disposal Follow guidance on putting on and taking off standard PPE https://www.gov.uk/government/publications/covid-19-personal-protective-equipment-use-for-non-aerosol-generating-procedures and above guidance on use in education settings. 	Yes	<ul style="list-style-type: none"> Staff have been told that it is mandatory to wear a face coverings in shared areas Information around the importance of face coverings shared 	<p>5 Medium Impact 5 Likelihood 1</p>

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

3. Maximising 'system of controls' measures					
3.1 Pupil behaviour					
<p>Pupils' behaviour on return to school does not comply with social distancing guidance</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> • Clear messaging to pupils on the importance and reasons for social distancing is reinforced throughout the school day by staff and through posters, and floor markings. For young children this is done through age-appropriate methods such as stories and games. • Staff model social distancing consistently. • The movement of pupils around the school is minimised. • Large gatherings are avoided. • Break times and lunch times are structured to support social distancing and are closely supervised. • The school's behaviour policy has been revised to include compliance with social distancing and this has been communicated to staff, pupils and parents. • Senior leaders monitor areas where there are breaches of social distancing measures and arrangements are reviewed. • Messages to parents reinforce the importance of social distancing. • Arrangements for social distancing of younger primary school children have been agreed and staff are clear on expectations. • Individual risk assessments of children with previous poor behaviour • https://www.gov.uk/government/publications/behaviour-and-discipline-in-schools • https://www.gov.uk/government/publications/safe-working-in-education-childcare-and-childrens-social-care/safe-working-in-education-childcare-and-childrens-social-care-settings-including-the-use-of-personal-protective-equipment-ppe#how-should-i-care-for-children-who-regularly-spit 	<p>Yes</p>	<ul style="list-style-type: none"> • Intimate Care Plans in place for pupils who require them. 	<p>10 High Impact 5 Likelihood 2</p>
3.2 Classrooms and teaching spaces					
<p>The configuration of classrooms and teaching spaces does not support compliance with system of controls</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> • Children organised into 'class sized bubbles' and use their classroom as their base. • Furniture organised so that children are facing forward • All furniture not in use has been removed from classrooms and teaching spaces. • Allow space for adults to be socially distanced for children where possible. • Open windows and prop doors open, where safe to do so (bearing in mind fire safety, security, and safeguarding). Where mechanical ventilation is present, recirculatory systems should be adjusted to full fresh air. If mechanical ventilation systems cannot be adjusted to full fresh air these 	<p>Yes</p>	<ul style="list-style-type: none"> • Ventilation systems in all classrooms are on all day 	<p>5 Medium Impact 5 Likelihood 1</p>

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

		should be switched off. Ventilation to chemical stores should remain operational			
3.3 Staff					
Staff measures to reduce contact and transmission	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> When assessing the return to full opening in September the following section of the DfE guidance must be followed: https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools#section-1-public-health-advice-to-minimise-coronavirus-covid-19-risks Where this cannot be met, then the school must record why and what other control measures they will adopt. All teachers and other staff can operate across different classes and year groups in order to facilitate the delivery of the school timetable. Where staff need to move between classes and year groups, they should try and keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults and should avoid close face to face contact and minimise time spent within 1 metre of anyone. Similarly, it will not be possible when working with many pupils who have complex needs or who need close contact care. These pupils' educational and care support should be provided as normal. When considering the return of non-teaching staff school leaders should recognise the wider government policy that staff who can work from home should do so and apply this where feasible (e.g. in administrative roles). 	Yes	<ul style="list-style-type: none"> Staff guidance shared during September inset training. Staff moving between classrooms has been minimised. 	10 High Impact 5 Likelihood 2
Managing supply teachers, visitors, contractors and other temporary visiting staff.	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> Supply teachers, peripatetic teachers and/or other temporary staff can move between schools. They should ensure they minimise contact and maintain as much distance as possible from other staff. Specialists, therapists, clinicians and other support staff for pupils with SEND should provide interventions as usual. Schools should consider how to manage other visitors to the site, such as contractors, catering staff and deliveries, as well as cleaning staff and site staff who may be working throughout the school and across different groups / sites. This will require close cooperation between both schools and the other relevant employers. Schools should have discussions with key contractors about the school's control measures and ways of working as part of planning for the autumn term and ensure site guidance on physical distancing and hygiene is explained to visitors on or before arrival. Where visits can happen outside of school hours, they should. 	Yes	<ul style="list-style-type: none"> Social distancing maintained Masks to be worn Contractors to visit out of the school day where possible 	10 High Impact 5 Likelihood 2

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

		<ul style="list-style-type: none"> A record should be kept of all visitors. It is important that staff who are managing supply teachers, visitors, contractors and other temporary visiting staff are conversant with SD and hygiene protocols within the school. 			
3.4 Movement in corridors					
Social distancing guidance is breached when pupils circulate in corridors	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> Circulation plans have been reviewed and amended. One-way systems are in operation where feasible. Corridors are divided where feasible. Circulation routes are clearly marked with appropriate signage. Any pinch points/bottle necks are identified and managed accordingly. The movement of pupils around school is minimised as much as possible. Pupils are briefed regularly regarding observing social distancing guidance whilst circulating. Appropriate supervision levels are in place. 	Yes		4 Low Impact 5 Likelihood 1
3.5 Break times					
Pupils may not observe social distancing at break times	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> Break times are staggered. External areas are designated for different groups. Pupils are reminded about social distancing as break times begin. Social distancing signage is in place around the school and in key areas. Supervision levels have been enhanced, especially with younger pupils, to support social distancing. 	Yes	<ul style="list-style-type: none"> See playground timetable 	5 Medium Impact 5 Likelihood 1
3.6 Lunch times					
Pupils may not observe social distancing at lunch times	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> Pupils are reminded about social distancing as lunch times begin. Pupils wash their hands before and after eating. The school hall will not be used for lunchtime. Meals will be eaten outdoors or in classrooms initially. A takeaway restaurant will be in operation with staggered collection times (see Sam Ward's guide) Floor markings are used to manage queues and enable social distancing. Guidance has been issued to parents and pupils on packed lunches (e.g. the use of disposable bags instead of lunch boxes). Eating areas are cleaned before and after lunch. 	Yes	<ul style="list-style-type: none"> See lunchtime timetable Staff to be vigilant and all are clear on social distancing protocols 	5 Medium Impact 5 Likelihood 1
Kitchen facilities do not comply with latest guidance	15 Extreme Impact 5	<ul style="list-style-type: none"> School kitchens must comply with the Guidance for food businesses on coronavirus (COVID-19) Ensure Health & Safety policies are followed 	Yes	<ul style="list-style-type: none"> 	5 Medium Impact 5

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

	Likelihood 3	<ul style="list-style-type: none"> See Sam Ward's comprehensive guidance booklet for staff. Catering staff to follow the relevant aspects of government guidance for food premises: https://www.gov.uk/guidance/working-safely-during-coronavirus-covid-19/restaurants-offering-takeaway-or-delivery 			Likelihood 1
3.7 Toilets					
Queues for toilets and handwashing risk non-compliance with social distancing measures	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> Limit the number of children or young people who use the toilet facilities at one time. Queuing zones for toilets and hand washing have been established and are monitored. Floor markings are in place to enable social distancing. Pupils know that they can only use the toilet one at a time. Flush the toilet with the lid down (where these are present) Where possible, allow 2 minutes between use of cubicles to allow the particles in the air to settle. Pupils are encouraged to access the toilet during class/throughout the day to help avoid queues at breaktimes. The toilets are cleaned frequently. Monitoring ensures a constant supply of soap and paper towels. Bins are emptied regularly. Pupils are reminded regularly on how to wash hands and young children are supervised in doing so. 	Yes	<ul style="list-style-type: none"> Pupils to wash their hands before entering the toilets to minimise contamination on door handles and facilities. All classrooms have their own toilets 	10 High Impact 5 Likelihood 3
3.8 Medical Rooms/ isolation space					
The configuration of medical rooms may compromise social distancing measures	20 Extreme Impact 5 Likelihood 4	<ul style="list-style-type: none"> Social distancing provisions are in place for medical rooms. If a child is awaiting collection, they will be moved to a room where they can be isolated behind a closed door, depending on the age of the child and with appropriate adult supervision if required. Ideally, a window should be opened for ventilation. If it is not possible to isolate them, move them to an area which is at least 2 metres away from other people. Allocate a suitable room for this purpose and communicate intentions to staff. Ensure suitable PPE (including fluid resistant face mask) is available at this location. Procedures are in place for medical rooms to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets. 	Yes	<ul style="list-style-type: none"> Medical room available by school office Additional room can be accessed (the lodge) 	10 High Impact 5 Likelihood 2
3.9 Reception area					

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

<p>Groups of people gather in reception (parents, visitors, deliveries) which risks breaching social distancing guidelines</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> • Social distancing points are clearly set out, using floor markings, continuing outside where necessary. • Social distancing guidance is clearly displayed to protect reception staff (e.g. distance from person stood at reception desk). • Non-essential deliveries and visitors to school are minimised. • Arrangements are in place for segregation of visitors. • Staff take responsibility to remind visitors to follow the social distancing guidelines. 	<p>Yes</p>	<ul style="list-style-type: none"> • Clear markings on the playground • Poster explains only 1 person in the office at a time. • All visitors to wear a face mask. • Screen between waiting area and office 	<p>5 Medium Impact 5 Likelihood 1</p>
<p>3.10 Arrival and departure from school</p>					
<p>Pupils and parents congregate at exits and entrances, making social distancing measures difficult to apply</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> • Start and finish times are staggered. • The use of available entrances and exits is maximised. • Social distancing guidelines are reinforced at entrances and exits through signage and floor/ground markings, including external drop-off and pick-up points. • Weekly messages to parents stress the need for social distancing at arrival and departure times. • Start and finish times will be closely monitored by School staff assisting in minimising the risk. 	<p>Yes</p>	<ul style="list-style-type: none"> • A member of SLT will supervise the entrance and leaving of families to ensure social distancing • Oneway system in place through school site. • Staff to encourage parents to move through site swiftly • All procedures communicated with parents / carers 	<p>10 High Impact 5 Likelihood 2</p>

Academy for Character and Education - operational risk assessment for school reopening

4. Continuing enhanced protection for children and staff with underlying health conditions					
4.1 Pupils with underlying health issues					
Pupils who were previously shielding are not identified and so measures have not been put in place to protect them	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> Shielding advice for all adults and children will pause on 1 August meaning that even the small number of pupils who will remain on the shielded patient list can also return to school, as can those who have family members who are shielding. Covid-19 shielding guidance from the Royal College of Paediatrics for children and young persons should be followed, and those under the care of a specialist encouraged to discuss their return to school. https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19 Should transmission rates rise locally, then children who are extremely clinically vulnerable will be advised to resume shielding. Should children have to stay at home for health reasons, they will have full access to remote learning. 	Yes	•	5 Medium Impact 5 Likelihood 1
Children with special educational needs are not able to follow guidance safely	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> Children with EHCP or SEND need, complete risk assessment to support full attendance (WP has a template) Ensure the same adult is assigned to children needing one to one provision as some children will need additional support to follow measures. For dual settings work through the system of controls collaboratively, enabling any risks identified to be addressed and allowing the joint delivery of a broad and balanced curriculum for the child Some pupils will need additional support to follow these measures. https://www.gov.uk/government/publications/coronavirus-covid-19-implementing-protective-measures-in-education-and-childcare-settings/coronavirus-covid-19-implementing-protective-measures-in-education-and-childcare-settings 	Yes	•	5 Medium Impact 5 Likelihood 1
4.2 Staff with underlying health issues					
Staff with underlying health issues or those who have previously been shielding are not identified and so measures have not been put in place to protect them	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> Staff deemed to be clinically extremely vulnerable and clinically vulnerable can return to school in the Autumn term subject to school leaders confirmation that the school is 'covid-secure', i.e. that every reasonable step has been taken to ensure the safety of children, staff, premises and community and that the full measures as provided in the DfE guidance have been applied. 	Yes	• Additional advise sought where necessary	15 High Impact 5 Likelihood 3

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

		<ul style="list-style-type: none"> • A risk assessment should be undertaken with clinically extremely vulnerable and clinically vulnerable staff returning to the school, especially where they are returning to the school for the first time since the pandemic commenced. • A risk assessment should also be undertaken (or reviewed/updated if one was previously undertaken) with staff who may be anxious about returning to school and/or due to the increased numbers • The most vulnerable should take particular care to stringently adhere to the protective measures/ system of controls. • Staff should maintain Public Health guidance of 2m wherever possible. • If not reduced to 1m as long as mitigations are in place, e.g. not face to face or wearing PPE (face covering doesn't count) or a Perspex screen in place. • The priority is always to try to maintain 2m social distancing, but where this cannot be achieved, regular hand washing/cleaning and good respiratory hygiene are also important for both staff and pupils. https://www.gov.uk/government/publications/staying-alert-and-safe-social-distancing#clinically-vulnerable-people and here https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19 • Members of staff who live with family members who were previously shielding can return to work. • School leaders should consider how they deploy colleagues flexibly to enable them to be as safe as possible.

5. Enhancing support for pupils and staff					
5.1 Mental health concerns – pupils					
<p>Pupils' mental health has been adversely affected during the period that the school has been closed and by the COVID-19 crisis in general</p>	<p>16 Extreme Impact 4 Likelihood 4</p>	<ul style="list-style-type: none"> • There are sufficient numbers of trained staff available to support pupils with mental health issues. • There is access to designated staff for all pupils who wish to talk to someone about wellbeing/mental health. • Wellbeing/mental health is discussed regularly in PSHE/virtual assemblies/pupil briefings (stories/toy characters are used for younger pupils to help talk about feelings). • Additional pastoral and extra-curricular activities for targeted children • Resources/websites to support the mental health of pupils are provided. • https://www.gov.uk/guidance/teaching-about-mental-wellbeing • https://covid.minded.org.uk/ • https://www.gov.uk/government/publications/healthy-child-programme-0-to-19-health-visitor-and-school-nurse-commissioning 	<p>Yes</p>	<ul style="list-style-type: none"> • Members of staff with pastoral expertise on a reduced timetable to ensure that they have time to meet with pupils when it arises. • Learning Experiences planned to support children's needs 	<p>12 High Impact 4 Likelihood 3</p>
5.2 Mental health concerns – staff					
<p>The mental health of staff has been adversely affected during the period that the school has been closed and by the COVID-19 crisis in general</p>	<p>16 Extreme Impact 4 Likelihood 4</p>	<ul style="list-style-type: none"> • Staff are encouraged to focus on their wellbeing. • Line managers are proactive in discussing wellbeing with the staff that they manage, including their workload. • Staff briefings and training have included content on wellbeing. • Staff have been signposted to useful websites and resources. • Discuss with staff about the plans for September (for example, safety measures, timetable changes and staggered arrival and departure times), including discussing whether training would be helpful. • If appropriate, seek GP or occupational health advice • The Department for Education is providing additional support for both pupil and staff wellbeing in the current situation. Information about the extra mental health support for pupils and teachers is available. • The Education Support Partnership provides a free helpline for school staff and targeted support for mental health and wellbeing. 	<p>Yes</p>	<ul style="list-style-type: none"> • Check ins with all staff by SLT regularly. 	<p>12 High Impact 4 Likelihood 3</p>
5.3 Provision for children with SEND and Safeguarding of children returning to school					
<p>Children with SEND require additional support following school closures</p>	<p>15 Extreme Impact 3 Likelihood 5</p>	<ul style="list-style-type: none"> • Appropriate support should be identified for children with SEND, including deployment of support staff and return of specialist staff from within and outside the school. • Children should be provided with the support that meetings their needs, including adapted support in class, intervention. 	<p>Yes</p>	<ul style="list-style-type: none"> • 	<p>9 High Impact 3 Likelihood 3</p>

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

		<ul style="list-style-type: none"> • Leaders may wish to refer to https://educationendowmentfoundation.org.uk/tools/guidance-reports/making-best-use-of-teaching-assistants/ to support their planning. • Community of SEND gateway https://www.sendgateway.org.uk/whole-school-send/join-our-community-of-practice.html 			
An increased number of children make disclosures following their extended period in lockdown	20 Extreme Impact 4 Likelihood 5	<ul style="list-style-type: none"> • Child protection policy to be revised to reflect the full return of all children. • DSLs and pastoral leads should be provided with more time, especially in the first few weeks of term, to meet the needs of children returning to school. • Ensure that communication with other agencies e.g. social care, school nurses is excellent 	Yes	<ul style="list-style-type: none"> • SLT speaking to pupils in need of further pastoral support. • All TAF / Panel meeting attended • Safeguarding procedures reinforced with all staff 	9 high Impact 3 Likelihood 3

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

6. Maintaining educational provision for children who are self-isolating or have to stay at home.					
6.1 Maintaining provision					
<p>Educational provision must still be maintained for children who are not able to attend school because they are self-isolating or are unable to return for a valid reason.</p>	<p>12 High Impact 3 Likelihood 4</p>	<ul style="list-style-type: none"> Teachers will keep in regular contact with parents. Remote learning will be maintained for children at home. Where children do not have access to appropriate technology, they will be loaned equipment. Class Dojo will continue to be used to teach lessons, collect in children's learning, feedback on quality and to communicate with parents. Where possible, children will be able to join their classmates for 'live lessons' The curriculum content and quality will reflect that offered in school. https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools#section-5-contingency-planning-for-outbreaks 	<p>Yes</p>		<p>3 Low Impact 3 Likelihood 1</p>
7. Premises related risks					
7.1 Review of fire procedures					
<p>Fire procedures are not appropriate to cover new arrangements</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> Fire procedures have been reviewed and revised where required, due to: <ul style="list-style-type: none"> Increased numbers of pupils/staff Social distancing rules during evacuation and at muster points Possible need for additional muster point(s) to enable social distancing where possible Staff and pupils have been briefed on any new evacuation procedures. Incident controller and fire marshals have been trained and briefed appropriately. Ensure that testing and monitoring regimes are in place for fire detection and alarm systems, fire extinguishers and that any interim arrangements (such as doors propped open where necessary to reduce hand contact), are managed so that they do not compromise fire protection (and security) measures. 	<p>Yes</p>	<ul style="list-style-type: none"> 	<p>5 Medium Impact 5 Likelihood 1</p>
<p>Fire evacuation drills - unable to apply social distancing effectively</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> Plans for fire evacuation drills are in place which are in line with social distancing measures. 	<p>Yes</p>	<ul style="list-style-type: none"> Fire practice to be completed with first 3 weeks back to school 	<p>5 Medium Impact 5 Likelihood 1</p>

Academy for Character and Education - operational risk assessment for school reopening

(adapted from Star Academy Trust and Local Authority Risk Assessments)

Fire marshals absent due to self-isolation	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> An additional staff rota is in place for fire marshals to cover any absences and staff have been briefed accordingly. Training and guidance to be provided for any additional Fire Marshalls required who have not undertaken the role previously. 		•	5 Medium Impact 5 Likelihood 1
7.2 Premises management					
Management of legionella	25 Extreme Impact 5 Likelihood 5	<ul style="list-style-type: none"> Review the water hygiene management plan. Ensure that agreed regimes for flushing and monitoring of temperatures have been maintained throughout any period of closure / partial opening. Where regimes have not been maintained ensure that cleaning and disinfection has taken place prior to reoccupation as per government guidance Managing School Premises during the Covid-19 outbreak. 	Yes	•	5 Medium Impact 5 Likelihood 1
Management of premises related risks e.g. asbestos, delayed statutory testing (LOLER)	6 Medium Impact 3 Likelihood 2	<ul style="list-style-type: none"> Communication arrangements to ensure that requirements and controls are understood by responsible persons (e.g. signing in processes for contractors). If equipment is not within statutory test periods (e.g. lifts and hoists) then it should be taken out of use until the inspection and test can be completed. 	Yes	•	3 Low Impact 3 Likelihood 1
Hiring out premises	15 High Impact 5 Likelihood 3	<ul style="list-style-type: none"> Schools should ensure they are considering carefully how to hire out to external bodies or organisations, such as external coaches or after-school or holiday clubs or activities. Such arrangements can only operate within their wider protective measures and should also have regard to any other relevant government guidance. For example, where opening up school leisure facilities for external use, ensuring they do so in line with government guidance on working safely during coronavirus (COVID-19) for providers of grassroots sport and gym or leisure facilities. 	Yes	•	3 Low Impact 5 Likelihood 1

8 . Governance

8.1 Oversight of the governing body

(adapted from Star Academy Trust and Local Authority Risk Assessments)

<p>Lack of governor oversight during the COVID-19 crisis leads to the school failing to meet statutory requirements.</p>	<p>9 High Impact 3 Likelihood 3</p>	<ul style="list-style-type: none"> The Trust Board and local committees continues to meet regularly via online platforms. The governing body agendas are structured to ensure all statutory requirements are discussed and school leaders are held to account for their implementation. The Headteacher's report to governors includes content and updates on how the school is continuing to meet its statutory obligations in addition to covering the school's response to COVID-19. Regular dialogue with the Chair of Governors and those governors with designated responsibilities is in place. Minutes of governing body meetings are reviewed to ensure that they accurately record governors' oversight and holding leaders to account for areas of statutory responsibility. 	<p>Yes</p>	<ul style="list-style-type: none"> Regular catch up meetings with chairs 	<p>3 Low Impact 3 Likelihood 1</p>
<p>8.2 Policy review</p>					
<p>Existing policies on safeguarding, health and safety, fire evacuation, medical, behaviour, attendance and other policies are no longer fit for purpose in the current circumstances</p>	<p>25 Extreme Impact 5 Likelihood 5</p>	<ul style="list-style-type: none"> All relevant policies have been revised to take account of the most recent government guidance on social distancing and COVID-19 and its implications for the school. Staff, pupils, parents and governors have been briefed accordingly. 	<p>Yes</p>	<ul style="list-style-type: none"> 	<p>5 Medium Impact 5 Likelihood 1</p>

9. Additional site-specific issues and risks
