

*Big Question: How can I create music to accompany an animation?
31st October – 16th December*

Being a Musician

Composition - Tune

I understand that repeated rhythms can be put together to create a tune.

Performance - Ensemble

I understand that I need to be aware of others' responsibilities in a group performance

Appreciation – Instrumentation

I understand that different instruments can affect the emotion felt by the listeners.

CHARACTER

Leadership

How have I motivated others?

LEARNING TO LEARN (metacognition)

Creativity:

I can use Socratic questions for clarification.

Outcome

I can build layers of texture to create a composition to accompany an animation.
