

## Planet Plate

Eating a vegetarian diet can help with climate change by reducing carbon emissions and help reduce global warming. They are really tasty too!

# New Menu

Please order and pay in the usual way via

## DID YOU KNOW?

- We source seasonal and local food where we can
- Our meals are freshly prepared on site
- We serve at least two portions of fruit & veg a day
- Organic yoghurt or dairy alternative available daily
- We use local higher welfare meat and free range eggs
- Our school food meets the School Food Standards and Food For Life criteria.
