READING - FLUENCY

Please can you ensure that your child reads for 10 mins each day as this help to increase fluency and vocabulary as well as promoting a love for reading!

READY -

This week we have been learning about art and our local area. Can you bubble map all the different colours that you have seen in and around Brixham Harbour ready for our colour experimentation next week.

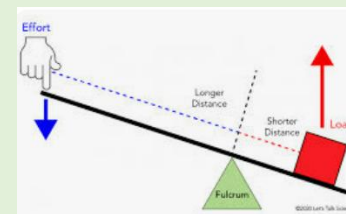

TTRS - FLUENCY

Please can you complete your Gig session for the month. See how many coins you can earn. After you have done this can you focus on your choosing the tables you need to help change your heatmap green. 'Jamming' is a god place to practise and Garage will help you change your heatmap.

REVISIT - Design Technology

Can you remind me of some of the movement we looked at last Summer term?

List them and be ready to describe the movement.

REVISE -

FLEXIBLE PARTITIONING

We have been partitioning numbers up to 100, using number lines and looking how 100 can be represented in different ways.

How can you represent the number 89 using a part whole map?

Can you draw a number line 0 - 100, going up in tens and show me where 35 could be?

Can you represent 900 using any pictogram you like.
